## Bicycling Routes

Bicycle routes shown on this map reflect designated bikeway classifications combined with cyclist suggested routes.

- Class I - Bike Path**  
Provides a completely separated right of way for the exclusive use of bicycles and pedestrians with cross-flow traffic minimized. The trails are marked and landscaped. Fencing encourages use of designated access points.
- Class II - Bike Lane**  
Provides a striped lane for one-way bike travel on a street or highway. Bike lanes are marked with signs and pavement striping.
- Class III - Bike Route**
